On 07/10/14, at approximately 1550 hours, I responded to Publix Grocery Store, 1545 Rock Springs Road, in reference to the report of a infant left in a vehicle with no one else around. Upon my arrival Apopka FD was in the process of trying to get the infant out of a blue in color, Jeep Cherokee. (Run #2999) The child was removed from the vehicle via an unlocked passenger door. The child's hair was wet from sweat and he was warm to the touch. The child was medically cleared by EMS. The temprature outside was 90 degrees at the time.

I met with store employee Carol Green. Green advised she was in the parking lot after leaving work and noticed the infant in the Jeep. Green advised the windows were rolled up and no one else was present. Green then called the police.

I made contact with the owner of the vehicle, Monique Rivers Williams (05/01/61) is the foster parent and legal guardian of the infant, [REDACTED] Williams exited the store and advised she had only been in the store a few minutes. Williams advised she left the child in the vehicle because he had pink eye and she believed he got it from a shopping cart from a previous visit to the store.

I was able to access the video surveillance from the store's cameras and determined [REDACTED] was in the vehicle for approximately 19 minutes. (1537 hrs - 1556 hrs)

DCF was contacted (Sean ID #088) and a report was made. I then made contact with DCF worker Bill Procdale who went to the scene and took custody of [REDACTED]
